

Food Festival/Farmers Market Local Grown – Local Made!

Participant Registration Information

WHEN: Saturday, August 30, 2008, from 9 am - 2 pm.

WHERE: The Juneau Arts and Culture Center

WHY: Promote discussion and exploration of greater food self-sufficiency by bringing together consumers, growers, and producers of local foods, with the intent of encouraging local sustainability through backyard gardening and small business initiatives. Also, we want to offer a space for non-profits to raise money through sales of produce or baked goods containing locally grown or harvested ingredients.

PARTICIPANTS: Individuals, Non-Profit Organizations, Commercial Businesses

WHAT YOU CAN DO:

- **Sell home grown produce, flowers, herbs, or local food products**, including jams, jellies, preserves, syrups, teas and other foods*
- **Sell commercially produced local foods** such as baked goods, coffee, and seafood
- **Sell products or services** for gardening or local food production
- **Raise funds** for a non-profit organization
- **Provide gardening information** at a table
- **Donate a little produce.** Only have a small amount of homegrown produce? You can donate it to the Sustainability Commission table and we'll help you sell it—proceeds will go to a local charitable organization.

RESERVING A SPACE:

To reserve a space, a \$10.00 is charged in advance to help defray event costs (except where noted below):

- Commercial sales booths/exhibits are limited to vendors selling garden and produce growing related items or vendors selling locally produced food. We encourage tasting tables. The fee for commercial vendors is 10 percent of sales of the day (up to a maximum of \$300). Payment is expected within 10 days after the event.
- Non-profit organizations are limited to produce, flowers, jams and jellies, and baked goods. In lieu of the space reservation fee, we ask that you donate a tangible item or a service to be given away as door prizes at the event.
- Informational booths are not charged a fee.

TABLES AND EQUIPMENT:

Some tables are available; however, participants are encouraged to bring their own tables, chairs, signs, electrical cords, and other equipment necessary for their booth, and are asked to clean up their area at the end of the event.

* some restrictions apply- see registration form

Registration Form

Food Festival /Farmers Market

In accordance with Alaska Food Regulations, you may sell:

1. Homemade jams, jellies, honey and syrup are allowed, except for home canned or smoked food, which require a permit.
2. Edible oils are not allowed.
3. Wild mushrooms, seaweed or herbs (raw) must have sign saying that they are wild and have not been inspected.
4. Harvested berries, roots and produce in raw form are allowed.
5. Baked goods are allowed except for anything with custard, cream or meringue (no dairy products)
6. Questions about other foods? Call us at 586-4788 or send us an email at sustainablejuneau@gmail.com
